under the Valencian sun

BIENVENIDOS

Welcome to sunny Valencia. Where the orange trees bloom, the sea sparkles, and food isn't just something you eat, but rather, it's a way of life.

I live in Valencia since 2024 and I work here as a foodphotographer and private chef. Valencia is bursting with flavour, life, and that unmistakable Mediterranean charm. I'd love to share it with you.

Whether you're dreaming of a laid-back lunch with friends in your Airbnb, craving a cosy dinner prepared to perfection in your home or looking for catering for your event: I'll take care of everything. All you have to do is sit back and enjoy.

Let yourself be surprised, be spoiled, and taste the sunshine on your plate – right from where you are.

With love,

Elise
